

DIRECTIONS

First United Methodist Church is located on the corner of Camden Avenue and Pleasant Valley Avenue. There is another entrance from Kings Highway.

The nearest bus stop is Kings Highway at Foxwood Drive.

Join us each month, usually on the 1st Friday, for a casual gathering of friends in an informal setting that offers live music, art exhibits and, of course, coffee and snacks. The coffeehouse is held in Fellowship Hall. Doors open at 7:30 PM, and entertainment runs from 8 PM till 10:30 PM. Each coffeehouse session is a fundraising effort for a specific mission or charitable organization.

In order to make our monthly coffeehouse available to parents with young children, we provide free childcare from 8-9:30 p.m. We hope that this gives more folks the opportunity to participate in the great fellowship available at our monthly events.

Please remember that while donations are always appreciated, admission to Grounds for Good is free!
